COMPANY PROFILE

Who we are

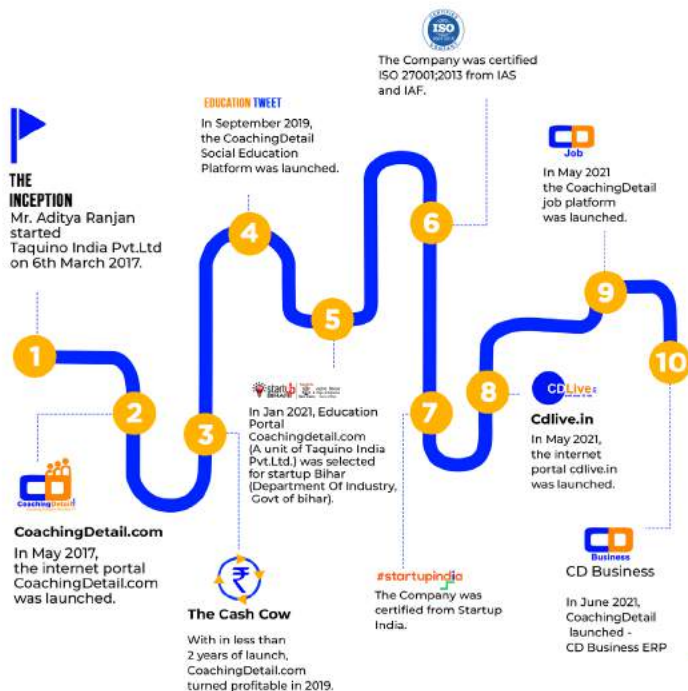

TAQUINO has an in-depth understanding of the Indian consumer internet domain and facility management solutions with 6+years of experience in the domain, strong cash flow generation and a diversified business portfolio, it one of the very few profitable pure play internet companies in the country. TAQUINO does business in industries such as

EMPOWERING EDUCATION | OUTSOURCING & MANPOWER | MEDIA & NEWS | DIGITAL MARKETING | ANDROID & IOS | ENTERTAINMENT

TAQUINO incorporates multiple businesses and with a dedicated team and hard labor, we are one of the pioneer companies in the market. We successfully grow day by day and achieve several milestones. It's all because of our client's faith and our team members who show belief in us and keep supporting us throughout our journey. We never compromise the quality of work we offer in any of our domains. From the beginning of our journey to till date, we never look back. We grow rapidly and with each passing year when we are confident of our one product of business, we spread our wings in other businesses to help our clients. In a short span of 6 years since its inception, TAQUINO has grown rapidly to attain a leadership position in the internet-based services industry in India.

Milestones

Introduction
